**Application Title:** Replace rooftop air conditioning equipment

**Description of Problem**

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The 720's buildings were installed in 1990. The air conditioning equipment is the original equipment that came with the buildings, now 24 years old. The equipment has outlived its useful life expectancy and is costly to maintain/repair. We are looking to replace all 12 units.

**Project Category:** HVAC

**Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school?** N

**Available Funding**

Amount of Local funds planned for this project	\$0.00
--	--------

Please outline any associated insurance coverage.

The District has very limited capital funds available for this type of equipment replacement. We do not have sufficient funding to cover the cost of replacing this equipment.  
All maintenance records for these 12 units are available from the District.
